

PRIVACY POLICY

Last updated October 15, 2021

Thank you for choosing to be part of our community at Compare App ("we," "us," or "our"). We are committed to protecting your personal information and your right to privacy. If you have any questions or concerns about this privacy notice or our practices with regard to your personal information, please contact us at infocompareapp@gmail.com.

This privacy notice describes how we might use your information if you:

- Download and use our mobile application — Compare: Before And After Photo
- Engage with us in other related ways — including any sales, marketing, or events

In this privacy notice, if we refer to:

- "App," we are referring to any application of ours that references or links to this policy, including any listed above
- "Services," we are referring to our App, and other related services, including any sales, marketing, or events

The purpose of this privacy notice is to explain to you in the clearest way possible what information we collect, how we use it, and what rights you have in relation to it. If there are any terms in this privacy notice that you do not agree with, please discontinue use of our Services immediately.

Please read this privacy notice carefully, as it will help you understand what we do with the information that we collect.

1. WHAT INFORMATION DO WE COLLECT?

Personal information you disclose to us

In Short: We collect personal information that you provide to us.

We collect personal information that you voluntarily provide to us when you express an interest in obtaining information about us or our products and Services, when you participate in activities on the App or otherwise when you contact us.

The personal information that we collect depends on the context of your interactions with us and the App, the choices you make and the products and features you use. The personal information we collect may include the following:

Payment Data. We may collect data necessary to process your payment if you make purchases, such as your payment instrument number (such as a credit card number), and the security code

associated with your payment instrument. All payment data is stored by Apple. You may find their privacy notice link(s) here: <https://www.apple.com/legal/privacy/pdfs/apple-privacy-policy-en-ww.pdf>.

All personal information that you provide to us must be true, complete and accurate, and you must notify us of any changes to such personal information.

Information automatically collected

***In Short:** Some information — such as your Internet Protocol (IP) address and/or browser and device characteristics — is collected automatically when you visit our App.*

We automatically collect certain information when you visit, use or navigate the App. This information does not reveal your specific identity (like your name or contact information) but may include device and usage information, such as your IP address, browser and device characteristics, operating system, language preferences, referring URLs, device name, country, location, information about how and when you use our App and other technical information. This information is primarily needed to maintain the security and operation of our App, and for our internal analytics and reporting purposes.

The information we collect includes:

- *Log and Usage Data.* Log and usage data is service-related, diagnostic, usage and performance information our servers automatically collect when you access or use our App and which we record in log files. Depending on how you interact with us, this log data may include your IP address, device information, browser type and settings and information about your activity in the App (such as the date/time stamps associated with your usage, pages and files viewed, searches and other actions you take such as which features you use), device event information (such as system activity, error reports (sometimes called 'crash dumps') and hardware settings).
- *Device Data.* We collect device data such as information about your computer, phone, tablet or other device you use to access the App. Depending on the device used, this device data may include information such as your IP address (or proxy server), device and application identification numbers, location, browser type, hardware model Internet service provider and/or mobile carrier, operating system and system configuration information.

Information collected through our App

***In Short:** We collect information regarding your mobile device, push notifications, when you use our App.*

If you use our App, we also collect the following information:

- *Mobile Device Access.* We may request access or permission to certain features from your mobile device, including your mobile device's camera, and other features. If you wish to change our access or permissions, you may do so in your device's settings.

- *Mobile Device Data.* We automatically collect device information (such as your mobile device ID, model and manufacturer), operating system, version information and system configuration information, device and application identification numbers, browser type and version, hardware model Internet service provider and/or mobile carrier, and Internet Protocol (IP) address (or proxy server). If you are using our App, we may also collect information about the phone network associated with your mobile device, your mobile device's operating system or platform, the type of mobile device you use, your mobile device's unique device ID and information about the features of our App you accessed.
- *Push Notifications.* We may request to send you push notifications regarding your account or certain features of the App. If you wish to opt-out from receiving these types of communications, you may turn them off in your device's settings.

This information is primarily needed to maintain the security and operation of our App, for troubleshooting and for our internal analytics and reporting purposes.

2. HOW DO WE USE YOUR INFORMATION?

***In Short:** We process your information for purposes based on legitimate business interests, the fulfillment of our contract with you, compliance with our legal obligations, and/or your consent.*

We use personal information collected via our App for a variety of business purposes described below. We process your personal information for these purposes in reliance on our legitimate business interests, in order to enter into or perform a contract with you, with your consent, and/or for compliance with our legal obligations. We indicate the specific processing grounds we rely on next to each purpose listed below.

We use the information we collect or receive:

- **To send administrative information to you.** We may use your personal information to send you product, service and new feature information and/or information about changes to our terms, conditions, and policies.
- **To protect our Services.** We may use your information as part of our efforts to keep our App safe and secure (for example, for fraud monitoring and prevention).
- **To enforce our terms, conditions and policies for business purposes, to comply with legal and regulatory requirements or in connection with our contract.**
- **To respond to legal requests and prevent harm.** If we receive a subpoena or other legal request, we may need to inspect the data we hold to determine how to respond.

3. WILL YOUR INFORMATION BE SHARED WITH ANYONE?

***In Short:** We only share information with your consent, to comply with laws, to provide you with services, to protect your rights, or to fulfill business obligations.*

We may process or share your data that we hold based on the following legal basis:

- **Consent:** We may process your data if you have given us specific consent to use your personal information for a specific purpose.
- **Legitimate Interests:** We may process your data when it is reasonably necessary to achieve our legitimate business interests.
- **Performance of a Contract:** Where we have entered into a contract with you, we may process your personal information to fulfill the terms of our contract.
- **Legal Obligations:** We may disclose your information where we are legally required to do so in order to comply with applicable law, governmental requests, a judicial proceeding, court order, or legal process, such as in response to a court order or a subpoena (including in response to public authorities to meet national security or law enforcement requirements).
- **Vital Interests:** We may disclose your information where we believe it is necessary to investigate, prevent, or take action regarding potential violations of our policies, suspected fraud, situations involving potential threats to the safety of any person and illegal activities, or as evidence in litigation in which we are involved.

More specifically, we may need to process your data or share your personal information in the following situations:

- **Business Transfers.** We may share or transfer your information in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business to another company.
- **Vendors, Consultants and Other Third-Party Service Providers.** We may share your data with third-party vendors, service providers, contractors or agents who perform services for us or on our behalf and require access to such information to do that work. Examples include: payment processing, data analysis, email delivery, hosting services, customer service and marketing efforts. We may allow selected third parties to use tracking technology on the App, which will enable them to collect data on our behalf about how you interact with our App over time. This information may be used to, among other things, analyze and track data, determine the popularity of certain content, pages or features, and better understand online activity. Unless described in this notice, we do not share, sell, rent or trade any of your information with third parties for their promotional purposes.

4. WHO WILL YOUR INFORMATION BE SHARED WITH?

In Short: We only share information with the following categories of third parties.

We only share and disclose your information with the following categories of third parties. If we have processed your data based on your consent and you wish to revoke your consent, please contact us using the contact .

- Data Analytics Services
- Testing Tools

5. HOW LONG DO WE KEEP YOUR INFORMATION?

In Short: We keep your information for as long as necessary to fulfill the purposes outlined in this privacy notice unless otherwise required by law.

We will only keep your personal information for as long as it is necessary for the purposes set out in this privacy notice, unless a longer retention period is required or permitted by law (such as tax, accounting or other legal requirements). No purpose in this notice will require us keeping your personal information for longer than 1 year.

When we have no ongoing legitimate business need to process your personal information, we will either delete or anonymize such information, or, if this is not possible (for example, because your personal information has been stored in backup archives), then we will securely store your personal information and isolate it from any further processing until deletion is possible.

6. HOW DO WE PROTECT YOUR INFORMATION?

We use appropriate physical, electronic, and other procedures to safeguard and secure the information we collect. However, please be aware that the Internet is an inherently unsafe environment, and that hackers are constantly working to defeat security measures.

Thus, we cannot guarantee that your information will not be accessed, disclosed, altered or destroyed, and you accept this risk.

7. HOW CAN YOU CONTACT US ABOUT THIS NOTICE?
